

As UofG Alumni, you can SAVE 25%

Use the Code **'UoG25ALUMNI'** and save on camps and regular monthly programs

Jumpstart your kid's education with Code Ninjas Guelph Coding Programs

Save 25% at Code Ninjas Guelph

Take advantage of this offer and get your kid's ready with programs entered around coding, robotics, and problem-solving. We offer camps throughout the year and an ongoing program where kids can learn how to code in Javascript, LUA, and C#.

Kids have fun, Parents see results

Advance from white to black belt and receive color-coded wristbands to mark your achievements.

- ✓ Programs for kids aged 5-14
- ✓ March Break, Summer & Winter Camps
- ✓ Evening & Weekend Hours
- ✓ Professionally Trained Staff that can assist kids in their education

Owner, Code Ninjas
Guelph & UofG Alumni

"We wanted to get our children involved in something like this, but saw the lack of options in Guelph. Our focus is on kids having fun. So even when they're learning to code, they're building a video game and they get to choose the characters they want to design for the game"
