ENG. Class of 2018

It has been five years since we graduated as the School of Engineering Class of 2018! This is cause for celebration as we approach our first milestone as a class. I invite you to join in the celebration this June at the University of Guelph.

The University is busy preparing for Alumni Weekend, scheduled for June 23 – 25, 2023. In addition to reuniting with classmates, Alumni Weekend gives you the opportunity to return to campus, see all that has changed and visit familiar spaces. You can take part in various tours and even enjoy a pint or two at Brass Taps! Although there are various events happening on campus that you can participate in, I have put together an itinerary for our class that I hope you will enjoy:

 - Meet at *The Cannon*; tour will leave at 3:15 PM
- **6:00 PM - Welcome Dinner, Brass Taps**
 - You are welcome to attend closer to 6:30 PM as well.

 - Class Photo
- **11:30 AM to 1:30 PM - President's Lunch, Athletic Centre**
