HELLO CLASS OF FACS 1978,

It’s hard to believe that this year marks 40 years since we graduated from the University of Guelph! Time sure has flown by! In recognition of this incredible milestone, I invite you to join the FACS 78 reunion in June at the University of Guelph.

The University is busy preparing for Alumni Weekend, scheduled for June 22 - 24, 2018. In addition to reuniting with classmates, Alumni Weekend gives you the opportunity to return to campus, see all the changes and visit familiar spaces. You can take part in tours and see the renovation of Macdonald Hall and the expansion of the Athletics Centre. You can also enjoy a pint or two at the beer tasting event and stay for SummerFest!

As a class, we’ll be attending the President’s Milestone Lunch at 11:30 am on Saturday, June 23. Following the lunch, we’ll tour the recently renovated Macdonald Hall and then gather for refreshments to catch up and reminisce about our university days. I hope that you will join in the fun.

Please share this information with the classmates you’ve remained connected with so everyone has the date marked in your calendars. Please let me know if you know of anyone who didn’t receive this email so we can get their record updated and ensure they receive future communications about our reunion.

More information regarding Alumni Weekend will come this spring and registration will open in April.

If you have any questions, please let me know.

Kind regards,

Cheryl Buer Cartwright
